SMOKIE KEEPS THE FLAME BURNING

I can't belive that they call me a MILF. It was only a couple years ago that I was partying until 4 am almost every weekend. Now, I'm running around town with a car seat in the back. However, I do take it as a compliment and take every occasion to tease the guys I know are saying it. Maybe one day, one of them will get a taste of me.

I hope those guys will see this pictorial or my video because they'll see what they're not getting, yet. Let them salivate at my body and how nicely my lips fit around a cock. And then get a real close look at my marvelous pussy with a big hard dick inside it. That'll make them blow their wads every time they see me!

They say that 40 is the new 30. I really don't care. Do you? Look at me. A year ago I was selling cheese in Wisconsin with a hairy bush and a minivan. Now, I'm an all new person ready to take on the world. Say that you're ready for me and more like me?

ARCADIA'S TWO-GUY SUNDAY

I've always been very experimantal when it comes to sex. I've tried just about everything in the book, and some things that didn't make it into the book. But one of my favorite things to do is a three-way. I really don't care if it's two girls and a guy; just girls; or two guys and me. That's especially fun because I get to be the center of attention.

I hope you liked watching my little three-way sandwich as much as I liked being in the middle of it. These two guys make it real easy to do because they know what it takes. It's kinda fun listening to them trying to decide which one will get to fuck my pussy and which one gets to do my ass first. I don't care which one it is as long as they stay hard for a long time, because once they are inside me I want it to go all day long.

MONIQUE'S ANALICIOUS WORKOUT

Last year I never thought I'd be having sex on camera. I was content to be at home doing what I'm supposed to be doing. Then one of my girlfriend's told me that she posed nude for a photographer and what a great time she had. I just took it as a nice story, but she invited me along the next time and I went. Well, it did seem like a lot of fun and a couple weeks later, I decided to do it. The rest, as they say, is history.

I had only done anal sex in my private life and that took a couple months of coaxing and practice before I liked it. And when I did, look out, I could go for hours with a cock ion my back end. My pussy would get sore from a long pounding, but my butthole was good to go for hours, especially if the guy wasn't that big. Now that's something good to say about men without big cocks.

TIANNA'S ALL WET

To the editors,

I'm writing to tell you how much I liked your issue with that hot little blonde on the cover and on the inside, but there were definitely not enough pages of her. What a fun creature she seems to be especially when she's getting fucked. I've always liked women who laughed and enjoyed sex, not those that just do it because they have to. I wish she was somewhere where I could adore her, even from a distance. That would be really hot, and she's got a great body and seems like she likes giving head. None of the girls I've dated act this way. Why can't I ever meet a girl like this?

– Trey, Houston

MILFS ARE US

Dear Editor:

My name is Toni (with an i) and I have to write this note to you since I've been told I'm a MILF. I was walking home from the mall with my BFF, Christie. In a deep conversation about what new car she should buy, we nearly missed my house. My parents and little son were at her grandma's all night, so Christie and I had the house all to ourselves. I made the biggest mistake of getting pregnant in high school so my folks are helping me raise my boy.

Christie had dark hair with blondish streaks, and wore sexy clothes and glam makeup. I had deep blue contacts , which made my eyes look sexy, and had dirty blonde hair. We each had our own style, and liked it that way. Swinging open the door, we felt the cool air caress their bodies. I went into the kitchen and grabbed 2 beers and headed back for the living room. Turning up some music, we chilled on the couch sipping the brews and talking shit about people we knew. I got up and turned the music down then sat back down. "Why?" said

Dear editors,

You got the MILF thing down. MILFs can be young or old, Hot or not, They just gotta be fuckable and we guys don't really care if they're mom's or not. Actually, MILFs are often the easiest to screw, especially within a year of having a kid. Many times they don't want their men to touch them, but a nice stranger will do. Tianna seems like just that type. Hot, fun and ready to fuck. I wish it was my cock in her mouth and pussy instead so she could suck me off.

She inserted a finger into my moist sweet spot while she sucked on my little button.

Christie. “Too loud.” “Okay then.” I reached for my beer over Christie, brushing her thigh. I hesitated and looked at her. As I studied her face, I saw a different look in Christie’s eyes. Not bad, it was dark and sexy.

I felt a chill run up my spine looking at her. Was I drawn to her? I couldn’t tell. But I knew I wanted to. Our faces were close together and I felt her breath on my lips. I felt Christie’s hand move up my thigh. My body tingled and I was confused, but wanted it, wanted Christie. She wanted to touch. I felt Christie’s long painted fingernails slide to the inner side of my leg. I felt her warm breath on my face.

I felt my lips touch hers as my body moved in closer. Then I felt our skins touch, feeling Christie pressed lightly against me. I liked it.... she liked it. I moved my hand onto Christie’s face. Her grip on my thigh grew tighter. Sliding my hand through Christie’s hair, I felt our tongues meet through parted lips. I slipped out her tongue licking Christie’s lips, tasting her lipstick. I slid my hand past Christie’s neck, onto her boob. I began to massage Christie and felt my pussy getting wetter and wetter.

I lifted her top off revealing her black bra which held her ample breasts. I reached behind her unhooking her bra and tossing it across the room. Then I leaned in and pushed her down on the couch. I climbed on top of her and started sucking on one of her nipples. I hoped Christie’s pussy was also getting wet. I spread Christie’s legs putting myself between them and began grinding on her.

Christie joined in running her fingers down my back gripping my g-string and pulled tighter up my ass. She slid her fingers in my pants reaching the top of my crack. Christie stuck a finger in the very top part and gently started rubbing, I let out a short moan as she continued rubbing until I pushed myself up and fastened my eyes directly onto Christie’s pussy. I started pressing on her there, turning myself and her on so much. I ran her hands up to Christie’s zipper and undid it.

Pulling her pants down, I saw Christie had no panties on. She sat up and hastily pulled my shirt off, throwing it onto the floor. Christie pulled off my jeans and panties. Christie was so wet she felt like inserting her own hand into her wetness. Christie started massaging me, teasing me. Christie rubbed and tickled until I couldn’t take it anymore. I grabbed her head, shoving her face into my horny pussy. I pressed her head hard into me began to hump her face.

Christie licked up my pussy juices moving her tongue inside me. She inserted a finger into my moist sweet spot while she sucked on my little button. I screamed at this pleasure and pushed Christie onto the floor. With her laying down, I rode her face. Christie still sticking one finger so deep into me, she stuck another finger into my ass hole and continued sucking on my clit. I felt the walls of my pussy go into a state of such pleasure that I had to moan out loud. Then

I was about to leave when May goes over to them and my curiosity caused me to stop and watch.

I moved my hips up and down all over Christie's face and let out one last moan and my love juices came all over her lips and mouth.

Christie licked her lips and swallowed all of my lady cum anxiously. She threw me down on the floor and immediately got on top of my and started moving up and down on my pussy. Our sexual juices mixed lubricating the pleasures between us. Christie opened her pussy so her clit rubbed on mine. She moaned loudly "Toni, make me cum." At that I grabbed a large red vibrator that we had stashed in the couch and shoved it deep into Christie's fuckable pussy.

Christie couldn't stop moaning. She felt vibe's tip rubbing against her g-spot and was breathing heavily. I turned it all the way up and placed it in between both of our pussies. I put it back inside her, moving it in and out quickly. Christie screamed out loud as she orgasmed pressing herself hard against the toy. Her cum ran long and wet into both of our pussies. Then I pulled the remote out of her and licked her sweetness off it. Like Christie, the taste was sublime.

We basked in each other's orgasms and laughed about the world we were excluding.

– Toni, Seattle

ROOM WITH A VIEW

To the Editor:

I know this is going to sound a little "Rear Window-ish" but my neighbor's really like to put on a show and I get to watch. Through an upstairs window at my house I can see into my neighbor's enclosed patio attached to the back of their house. They like to hang out there throughout the day. Barry fancies himself a lady killer and always has female company and they spend a lot of time fucking back there.

One day I'm watching and he has two stark naked femmes over and they're going at it. I grab my binoculars and settle back to watch the action. One lass, I'll call her May, grabs a huge black dildo and the smaller silver dildo and positioned herself facing the other two so she could watch Barry fuck… I'll call her June. Barry was inside June with her legs over the arms of a chair fucking her pussy. I was about to leave when May goes over to them and my curiosity caused me to stop and watch.

May gets behind the two of them and squats. She shoves a dildo up each one's ass. The black one for June and the silver for Barry. She leaned over them and begins to fuck them with the dildos. Barry increases the speed of his thrusts into May as June increases the dildo thrusts. May begins to buck and scream and Barry convulses with pleasure. The three together make a scene of thrashing arms, legs and bodies as June's actions take the two fuckers over the top. A few minutes later June takes the dildos out of their asses and throws them on the ground. I have to retreat to the bathroom again. I'd like to officially thank Barry. Looking forward to the next time.

– Barry's neighbor in Fresno

THIS MONICA'S A SWEETHEART OF A MILF

When I was asked to come down to the set after getting my make-up done, I said I was too tired and could they bring the camera's here so we could shoot on my futon. I love my futon and fuzzy slippers and especially my big pink vibrating dildo. I was excited, but still tired, to fuck my vibe and took it nice and slow that day. I think the crew got off on it because I could see all the bulges on the guys around me.

There's almost nothing like the feeling of a warm vibration inside my pussy. It's really too bad that guy's cocks don't vibrate. Imagine what that would be like, real live flesh and vibrations, too. I think we women would get off in a New York minute. In the meantime, this will have to do, and I don't mind. Do you?

KELLY WELLS BUTT FREAK

I've always used my body to get what I want, and ususally what I wanted was sex. I have a really high sex drive and can't wait for a good fuck session to get going. Some women say their pussys get wet for sex. Well, with me, my butthole tingles for it.

To be honest, not only does my butthole tingle for sex, it tingles during sex. His cock can be in my pussy and my butt will tingle; or it can be in my mouth and my butt will tingle; but when it's in my ass, it sends me through the roof. There must be something going on in my brain also to have these feelings. No matter where it starts, I hope it never goes away!

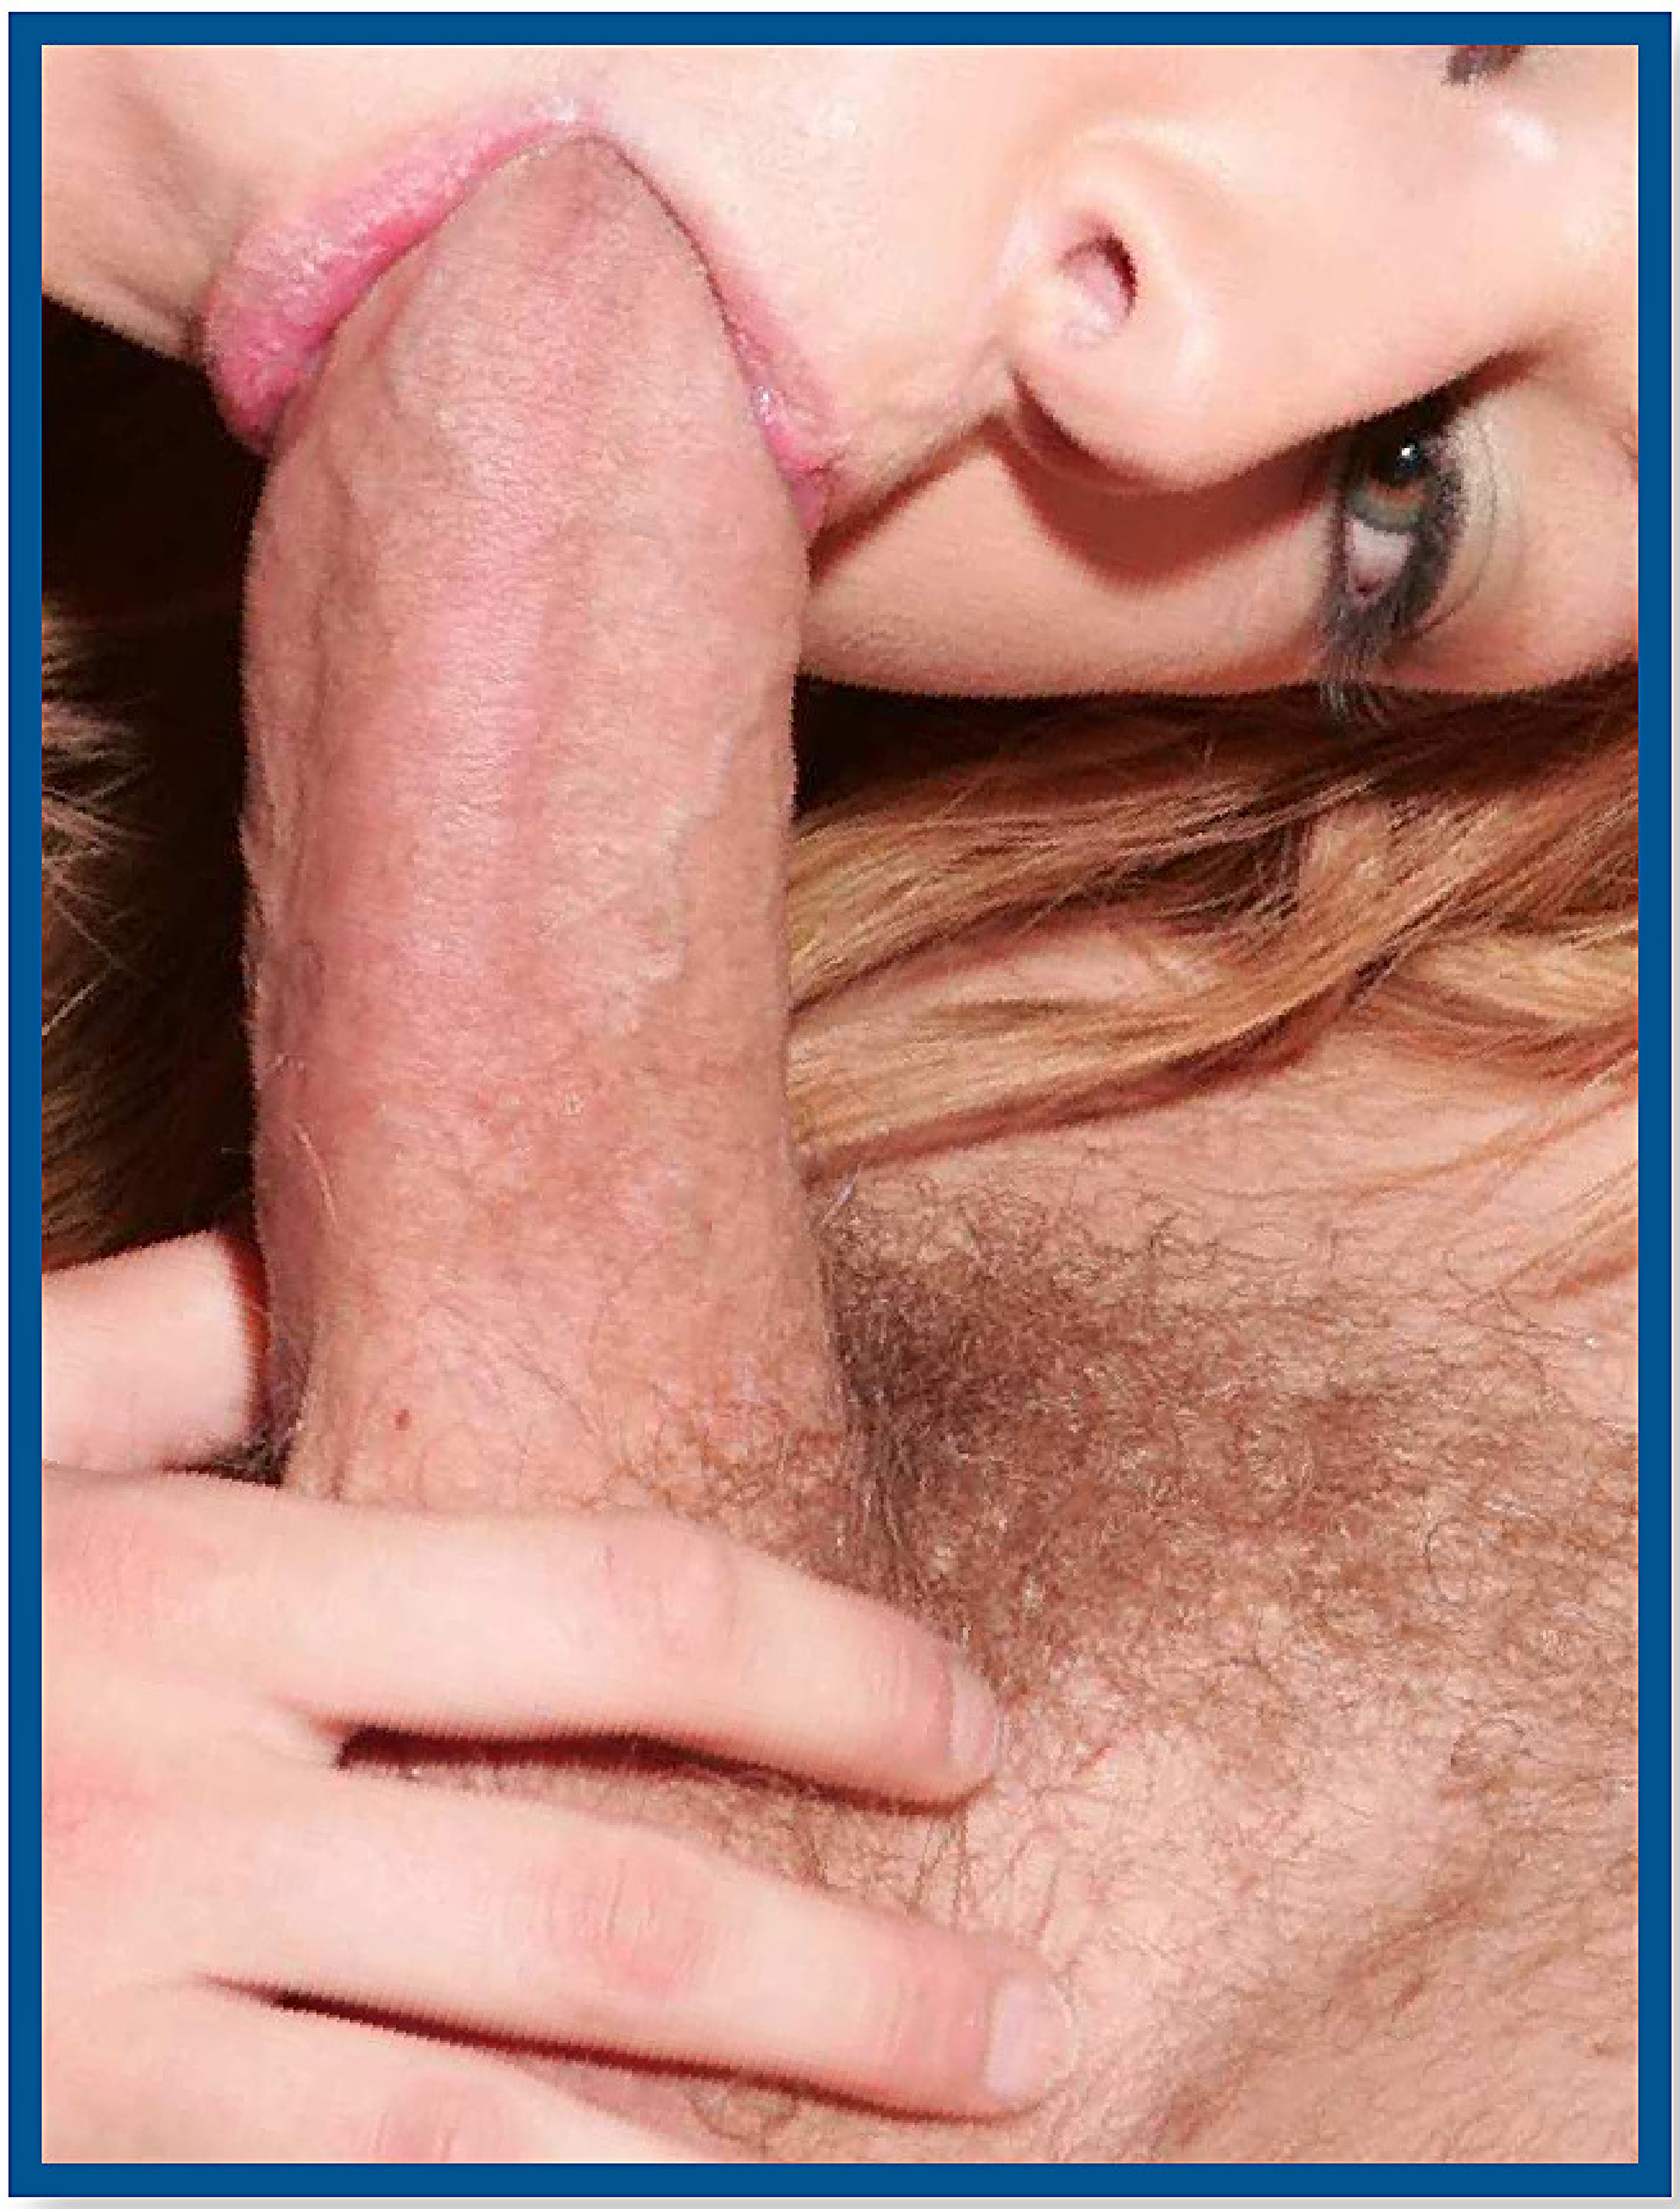
let it snow, let it snow, let it snow

> *Making us breakfast, I was standing by the stove scrambling some eggs and popping some bread into the toaster. I felt him come up behind me...*

This was a very hard winter. The middle of February saw some of the worst winter weather Kansas City had seen in many, many years. Howling winds, cold every day, and piles and piles of snow. Businesses were shut down, schools were closed, and all the movie theaters were closed, too. With nothing open, we had to stay at home a lot and find different ways to amuse ourselves.



My hubby and I were sitting in the kitchen having a wonderful breakfast that Sunday morning. We had a quite a Saturday night. Sitting by the fire, we played board games and made love all night but there is still something missing. After only two years we seemed to have lost some spice in our love life. Please understand Gabriel's a great lover, got a lot of sexual stamina, a body to die for, broad shoulders, muscular thighs, and a nice ass that you can sink your teeth into. And last but definitely not least is his perfectly large-enough cock. It looks like a great cock should. And it fits perfectly into my mouth and pussy.

Making us breakfast, I was standing by the stove scrambling some eggs and popping some bread into the toaster. I felt him come up behind me as he wrapped his arms around me. He grabbed my hips and began to gyrate his hips with mine. I felt every my body tingle with anticipation of what could be coming next. As he rubs against me, I can just feel that wonderful cock get hard as it nestles between my ass cheeks. Now I was starting to sweat, boobs tingling, nipples hardening and poking into my shirt while my pussy gets puffy and starts to moisten.

I feel his head come closer to mine. Gabriel nips my earlobes, darting his tongue in for a quick lick while his hand starts to glide up my waist cupping my heaving breasts. He kneaded my breast without touching my nipples. They were screaming for his attention. I turned off the stove and slowly turned around, his chest squeezed my breasts in succulent pain. I licked his lips begging him to kiss me and when he did he sucked my tongue. Our hands went everywhere, grabbing anything we can of each other's body.

I was almost too much to take as I felt pressure building up. My juices dribbled down the sides of my thighs. I rubbed them together as if willing them to stay put. I then spread my legs over his hips as he lifted me up on the counter top. Even the coldness of the tiles didn't put a dent on the raging heat flowing in my blood. He pulled me forward and thrust his hips banging his hard cock through his jeans to my pussy soaked panty. He gyrated his hips

grinding it into my pussy. We were both enjoying ourselves when the doorbell rang. We both groaned and stopped. I rearranged my clothes as best I could and he went back to his coffee. I grabbed my cup and slipped into my flats to go answer the door.

Standing there, looking like an Eskimo was my girlfriend Alexis. "Get out of the snow." I said grabbing her arm and pulling her inside. "How did you get here?" I asked. "I walked the three blocks honey, and it took almost half an hour. I was so bored. I haven't done anything exciting for days." she said. She took off her heavy parka and hung it on a hook in the entry way. She shook her hair loose and her big breasts strained against her blouse as she shook. She's quite pretty with a great upbeat personality. As we walked to the kitchen I could feel my juices dribbling down my thigh making it slippery as I moved. Gabriel and Alexis said their hellos. I noticed him checking her out. A wicked thought formed in my mind. We were casually having a conversation when I whispered to Alexis " Hey girl wanna do something exciting today?" She looked me straight in the eyes and said "I was so bored, I'll do anything, but first I need some hot coffee."

Gabriel poured her a cup to which she added some sugar. As she was stirring I whispered into her ear and began to make out with her as he watched. I thrust my thigh up in between her thighs. Then I kissed her while I looked Gabriel straight in the eye. He was there staring wide eyed at us wondering what was happening. He stood up and tried to join us but I had other things in mind. I ordered him to sit back down or I'd send Alexis home. Immediately he put his ass back in the chair. I turned Alexis around to face him while I went behind her back. I slowly stripped her clothes off for his pleasure. As I opened her blouse Gabriel opened his zipper and took out his hard cock and played with it while he watched. I heard Alexis suck in some air, arousing her even more. Her nipples poked through her lacy bra and I grabbed each of them with my hands and jiggled them right at him.

Letting go, I moved my hands down her chest and into her pants. I began to stroke her as he watched. Watching him watching me do things to her is making me so damn hot. My pussy was soaking my panty like never before. As I stroked her she undulated her hips teasing Gabriel since he can't see anything except my hand moving under the fabric. I pulled my hands out and pushed her forward to-

wards him. I slowly slid her pants and panties down exposing her clean shaven clit that was glistening with her juice. I stroked my finger up one swollen lip then down the other making her shudder with pleasure. I took off everything she wore. Now she is standing there naked, aroused, panting for more. I left her standing there and went back to him whispering in his ear telling him he was not to do anything until I told him to do it.

I went the few feet back to her and asked if she was ready for him. She nodded 'yes' and looked down at his crotch. It had a wet stain and large bulge. Alexis went over and knelt in front of Gabriel and stripped him of his pants. With that done she then gripped his hard cock at the base and gave it a good licking, making him moan with pleasure. I could see his cock bounce in her hand in reaction to her tongue. I slid my hand down his chest while we kissed. I held his cock as she sucked it. I felt Gabriel about to cum so I told her to stop.

He looked at me with big doe eyes at my ruthless commands. I told her to straddle his hips and fuck him until he cums. She did just that. I grab his rock hard cock and guide it into her sexpot. She lowered herself on it and begins to bounce on his stiff cock while I hold his cock at the base stroking him at the same time. I lean in and kiss her beautiful breasts while I stroke her clit with my other hand. We're moaning and groaning in the kitchen as Gabriel fucks her harder and faster and deeper. I told him not to cum yet and pulled her off his cock amid some purring protests.

I turned her toward a chair and bent her over so that Gabriel could watch us in profile. I rubbed her ass cheeks, amazed at how tight and round they were, reaching between her legs I felt her sloppy wet pussy as her juices ran onto my hand. I used her juice on my finger to poke at her cute little back door, she squirmed as I pushed it in. I motioned him to stand up and come over as was playing with that tight ass. I motioned him to get behind me and grabbed his cock and rubbed it on my vaginal lips. He pushed his cock head into me and I got very excited as he went deeper into my pussy. He started fucking me harder, forcing himself deep into my cunt. This got me excited so I just shoved my fingers all the way into Alexis' asshole and started fucking her like a jackhammer.

I reached back and grabbed his cock and took my fingers out her anus. I turned her around and pulled him towards her, pulling him down to her face so she could lick and suck his balls. I leaned forward putting my mouth around his throbbing shaft. This made her suck his balls harder as I reached behind him and jammed a finger in his ass. It hurt him at first, then I massaged his prostate and he shot his hot load into Alexis' mouth and she swallowed every drop of his cum. When Gabriel pulled out of her mouth, I just had to taste his cum; I bent over and started by licking the juice drops on her lips. This got her very excited and Gabriel rubbed his cum soaked cock on her pussy and around my mouth. We dismissed him since he was spent and took turns eating each other out until we girls came. I asked him to clean up the kitchen and took Alexis hand and we retreated upstairs to the bedroom. The snow fall got heavier and heavier that day. Alexis couldn't get home, but I think we made her happy enough to stay until it stopped.

If you are a big breast man, then kick back and get comfortable. We've filled the following pages with beautiful Gianna and her perfectly big boobs. Yes, she's really fine everywhere, but with those boobs staring you in the face, how can you not help but stare back. But, admittedly, her mountainous melons were definitely the biggest attraction. Enjoy, but not too fast!

In addition to Gianna's fine boobs, just take a look at that butt and imagine yourself behind her pounding you cock into her sweetness. Women are hard to please and the harder you are the more they say "Please - shove that big thing deeper into me. Make me cum with it!" That's sweet music to any guy's ears when your woman asks you to fuck her harder. If she does, then you better, and do it good, too.
